ABCDEFGHIJKLMNOPQRSTUVWXYZabcdefghijklmnopqrstuvwxyz

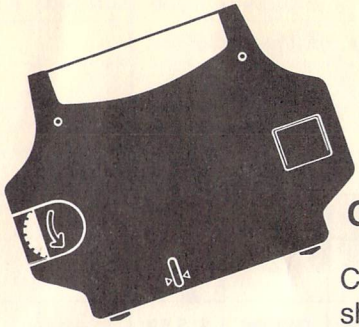
Ribbons

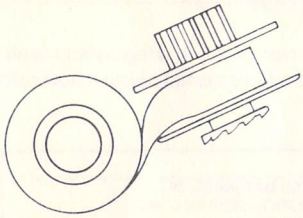


Correctable Film Cartridge

Correctable film ribbons produce sharp, clean characters with uniform density for consistently excellent printwork. Each cartridge ribbon is 1/2" x 335 feet or approximately 80,000 characters.

Multi Strike Film Cartridge

Multi Strike film ribbons provide an economical way to produce high quality printwork. Each cartridge ribbon is 1/2" x 295 feet or approximately 283,000 characters. This ribbon can only be used in conjunction with a cover up correction tape.



Lift Off Correction Tapes

High efficiency lift off correction tapes cleanly lift characters from cotton or fibre paper, of any color, so that corrections are made without a trace. Each ribbon is 1/4" x 19 feet and comes two (2) to a box.

Cover Up Correction Tapes

Cover up correction tapes cleanly cover up characters on cotton or fibre paper so that corrections virtually disappear from the page. Each ribbon is 1/4" x 19 feet and comes two (2) to a box.
